**Correspondence**

In the board’s packet, a list and/or copies of all correspondence received electronically, by mail, or fax has been given to each board member.

**Grants**

The Illinois State Library Live and Learn Construction Grant Review Committee sent the library a letter saying the New Construction/Remodeling category was its third priority and based on funding and ranking, the Library’s application could not be funded, but the administration may submit again if future funding is available.

The 2014 Per Capita Grant application requirements have been posted. In preparation, the Library has purchased the Illinois Library Association’s Standards for Illinois Public Libraries: Serving Our Public 3.0. The Library also registered with the Illinois State Library for participation in The Edge Initiative (a new management and leadership tool that is helping libraries and local governments work together to achieve community goals. It particularly highlights the library’s technology profile and involves an online assessment). Administration will work closely with Joy McFadden, the Virtual Services manager, on this initiative.

At this time Director Weimar gave a general explanation of the Per Capita Grant to Trustee Drew.

**Financial**

Scott Remmenga and Mary Weimar had a conference call with McClure, Inserra and Klein Thorpe and Jenkins in regards to the PTABs. The final draft of the 2013 audit will be completed shortly. It will be presented at the April Board meeting.

President Healy asked Director Weimar to give a brief explanation of the Property Tax Appeal Board (PTAB) and the Library’s involvement with it.

The 2013 Annual Treasurer’s Report will be published once the audit is finalized.

Robin Wagner and Mary Weimar will be discussing the lobby improvements which were budgeted for 2014 and rank them in priority. This will be discussed at the next board meeting.

**Miscellaneous**

Mary Weimar and Joy McFadden will be meeting at the end of March with a representative from Moraine Valley Community College in regards to a collaboration regarding internships for IT students.

Mayor McLaughlin gave his annual report at the Orland Area Chamber of Commerce and the Library was featured in the video highlighting the community. Copies of the mayor’s report have been provided to the Board and are available to the public here at the Library on a limited basis.

Mary Weimar attended the Southwest Conference of Mayor’s Expo and made contact with vendors and local organizations.

Any Board member wishing to attend the LACONI Annual Trustee Workshop should contact Director Weimar.
Building
The building is back to running on two boilers as the fan component was received and installed the beginning of March. Due to the long wait for the part, a second fan component was ordered to have in-building in case of failure in the future.

Teen Area Damage
Almost everything is back in place and operational in the Teen Area. Still needing repair are the bay windowsills and wood arms of the chairs. They need to be replaced or refinished. Cain Millwork will be doing the work over the next several weeks. The Library is also awaiting delivery of the new magazine rack from Demco. All invoices thus far have been submitted to insurance.

Self-Checkout Kiosks
The self-checkout kiosks have been installed in the Youth and Adult Services areas. Both are getting a lot of use by the patrons. As for the lobby kiosks, Linear Electric has been called out to put in new electric and data outlets. The current wiring is run through conduit in the cement floor and is not in the needed location and will not allow the kiosks to be moved for programming. The previous outlets were built into the former unit the kiosks sat on.

Phone Lines
The move to Comcast phone lines continues to be on hold. The Comcast Internet connection is working well, but IT staff are doing more testing and tweaking to fine-tune the connection. Once this is complete to the staff’s satisfaction, the phone line will be moved to Comcast.
