FOIA PRODUCTION TODAY: They did it again! We just got back the FOIA response about the OPPL's Christmas party. Turns out they lied and they did have a party after all (they claimed they didn't have one this year, but they did). They bought \$462.50 worth of marble clocks and gold charms again, from that Noral Jewelers in Palos Heights. Just like last year. Remember that these are the people who cried they are broke and had to raise the tax levy, but they still keep spending tax dollars at the jewelry store every year to give each other gifts of gold and marble.
