**[Look Out, Myrtle Beach](#)**

Looks like Ginny Maziarka is [headed to Myrtle Beach](#) for some R&R.

I just hope the good folks at [Chapin Memorial Library](#) know what's coming, since they have [It's Perfectly Normal](#) shelved in the juvenile non-fiction section, [Perks of Being a Wallflower](#) shelved in young adult fiction, and who knows what else [sexualizing children and grandchildren](#).

I'm shocked Ginny contributes to the tax base of a community that has an "[XXX-rated](#)" library. Shocked.
