[Where Does Ginny Maziarka Keep Her Porn?](#)

This bit of [propaganda over at Wisconsin Christian News](#) features a nice photo of Ginny Maziarka standing in front of the West Bend Memorial Library holding a copy of [Deal With It](#) along with another unidentifiable book.

The way she cradles those reminded me also of [this video where she proudly displays](#) her copy of *Deal With It* within her kitchen.

Which causes me again to wonder: If Ginny considers these books to be vulgar, sexually-explicit, and even pornographic, I wonder where she keeps them at home? Does she lock them away so any un-sexualized kids can't get access to them? Does she keep them in her bedside table for those lonely nights when Jim is away? If she considers the [library to be xxx-rated](#) for possessing these books, then what of her own home? Hmmm....

And, I wonder if she realizes that by purchasing these books, she's encouraged the authors and publishers to continue to produce them. Ah, the irony.....
