[Ginny Maziarka Equates Obama to Hitler \(Yawn\)](#)

I think the bandwagon is leaning a little more to the right tonight, because Ginny is fully on board.

[Her latest propaganda at WISSUP](#) notes that the WB schools won't be showing the President's address to students next week. Whatever.

But, in [yet another](#) beautiful example of Ginny's [undecipherable](#) and [misleading tag spamming](#), she's labeled her post with the tag "Hitler".

So, let's ignore the fact that it's perfectly normal for a President to want to speak to school children. Hell, [Bush-41](#) and [Reagan](#) both did it. And we can ignore the fact that the conservative propaganda that the President will talk about his health care plans and other items from his "socialist agenda" have been [proven to be "pants-on-fire" lies](#). And we can ignore the fact the same people who think Obama is a socialist are equally misguided in thinking that Hitler was one (he instituted totalitarianism, and the closest the Nazi's under his leadership got to socialism was to guarantee social welfare for all Aryans, and Aryans alone).

What truly amazes me about Ginny's use of the "Hitler" tag is that she's finally figured out how to insert a comma between multiple tags. You go, girl!
