Mapping the World

Using the *Mapping the World* story map, analyze the various maps and identify similarities and differences between them.

Record your observations on the chart below:

Digital Resources	Similarities	Differences	Inquiry (create questions you would like to answer about the map comparisons)
Modern world map v. 1452 Leardo World Map			
1452 Leardo World Map v. 1590 World Map			

1590 World Map v. 1719 World Map			
1719 World Map v. 1778 World Map			

Follow up questions:

What patterns, or trends, do you notice as the maps change over time (1452-2008)?

What are the reasons for the trends?

What changes do you notice about the Arctic region and North Pole on the maps over time?
