[REDACTED]

Dear [REDACTED]

Due to the behavior that you demonstrated here at the West Bend Community Memorial Library on January 31, 2009, when you downloaded inappropriate and obscene web site material to your flash drive, your library Internet privileges have been revoked for a period of six (6) months. This revocation of privileges includes the library's desktop computers and any laptops or other web capable devices you might have access to.

Your actions were brought to the library's attention by the West Bend Police Department. They were involved because of an incident you were in at the West Bend schools. Should you choose to ignore this restriction of Internet use here at the library, the West Bend Police Department will be notified immediately.

Your access to using the library Internet will be reinstated on July 20, 2009. Your behavior and conduct while using the Internet from that time on will determine if you will be allowed to continue to use the library.

Sincerely,

*Michael Tyree*
