Subject: LBGT Books

Importance: High

I just had a message from the Journal Sentinel asking if our libraries contain the same books as the public library. Dr. Herdrich asked that before I return the call, you do a regional search of the school district libraries so that I can give those facts as well.

If you can tell me how many of the books we have in our libraries as well as how many other libraries have the books, that would be greatly appreciated.

Thanks,

Maryjane
