Mrs. Maziarka,

In the packet of information that I gave to you this morning you should find some of our policies. One of them is the Acceptable Internet Use Policy. The link to it on our home page is here:

<http://www.west-bendlibrary.org/internet.htm>

We do not filter Internet access here at the WBCML. Parents sign a permission form for their minors under 18 years of age to use the Internet. We only have Internet stations in the Reference department on the second floor of the library. There are no Internet stations in the children's or young adult areas (or anywhere else).

Please do read through the policy and also look over the Internet use application forms ( both for adults and minors) which I provided to you earlier this morning.

Thank you.
