Good morning, Don.

I misspoke yesterday afternoon when I told you the the ALA didn't have a journal reviewing source for Young Adult books. It's called Booklist and is available both in print and online. We use both formats at the WB library. The online site is at: <http://www.booklistonline.com/>

In addition to Booklist, we use Horn Book Magazine, Kirkus Reviews, KJfiatt, Library Journal, Publishers Weekly, School Library Journal, Voyn (Voice of Youth Advocates). Other print sources that are considered are Bookpage, Book Review Digest and various other sources (including the Sunday Milwaukee Journal Sentinel book section, Chicago Tribune book section and the New York Times book section).

Our librarians also subscribe to listservs which assist them in their specialties.

Sorry about the oversight. I think my brain must have been on a momentary holiday.

Thanks,

Michael Tyree
