Hello Michael! How are things going out there? Lots of interesting things going on these days here.

Michael Z and I had a contact from the Madison gay mens chorus. They would like to come to WB for a concert -- free -- and are wondering if any venues might be available. They understand they are outsiders and don't want to inflame the situation, but they also see it as an educational opportunity. They are, however, willing to take guidance on this. So, if you will provide me with some guidance, I will forward it to them.

Joyce
