Michael,

The story we did for MPTV on your library can be viewed at this link...

I apologize for it taking so long.

I also apologize for the fact that the producers threw up the incorrect name during your soundbyte. They press a button, live as the show is being taped so sometimes they make mistakes. Since your name is Michael and the other man's name is Michael...apparently they became confused.

Embarrassing for me...even though it is completely their fault. (convenient for them isn't it?)

Anyways I do apologize for that, and I'd like to once again thank you for speaking with us.
