Subject: library board

Good Morning Kristine. My name is Judy Schaar and I'm the person who stopped to speak with you and Mike last night in the parking lot after the meeting. I understand that you have a number of people who have volunteered to be on the library board. I'd like to add my name to the list -- if you'd like to consider one more person.

I've lived in West Bend since 1978. Libraries have been an important part of my life since I was a child. We have such an amazing library and everyone should feel they are able to appreciate and enjoy it. And the people who work at the library are all outstanding. They should know that we respect and value their place of employment.

I've attached my resume to provide a bit more background for you. I'm sorry you have to deal with such a mess and, in spite of what Mr. Lindbeck said, hopefully we can find a solution to this issue that will be acceptable to all sides.

Thank you for your time -

Judy Schaar
