Hello ALA Friends!

I just want to send a note to thank you so much for your attendance and presentation at our celebration of intellectual freedom here in West Bend on Friday. It meant so much to the community as a whole and to me personally that you would take the time to visit us and to speak out in support of our cause.

It will be interesting to see what Tuesday's meeting brings! I will keep you posted.

Yours in support of Intellectual Freedom for All!

Mary

PS—I wonder if you had what I view to be a rather racist flier under the windshield wiper of your vehicle on Friday. It is a bogus million dollar bill with a caricature of Barack Obama on the front and a Bible passage on the back and is put out by livingwaters.com. Since our city has an ordinance against such leafletting, (and because I have nothing better to do and am pretty much on my civil rights high horse at the moment), I am going to file a complaint on Monday with the police department. A friend told me that the art museum has cameras focused on the street area near the library --- wonder what the chances are that the culprit is on video!!!
