WB Citizens for Safe Libraries Statement

STATEMENT FROM WEST BEND CITIZENS FOR SAFE LIBRARIES

We wish to assure our common council, our mayor and our community that we, in no way, align ourselves with the group who has issued a lawsuit against the West Bend Community Memorial Library. We would like to affirm that we are not asking for a ban on books, and we are not asking for books to be burned. We continue to move forward with our petition requests that protect children from sexually explicit material.

WBCFSL is a community group of parents and taxpayers who are seeking to uphold the community standards of our city in the taxpayer-funded, local public library.
