2:56 PM Holy (**explicit**). I am a proud graduate of West Bend West High School (the other half of that picture...(b) the Suns) and the son of the Library Board President for West Bend. This raging local squabble has consumed my phone calls home for the last two months...seeing it on here is like some weird media warp into my inquiries as to the home front.

And while the locals are using the internets to get in each others proverbial faces...just try reading that on the online version of the local rag, The West Bend Daily News, which has online content for newspaper subscribers only. NYTimes take note! If it can work in small town Wisconsin, it can work for you!
