Gossip Girls challenged in Orlando Public Library - Series carried in WB library

Well. Sounds like we aren't the only ones... Though the media is using the word "banned" for higher ratings, let there be no mistake. They are not asking for banning. They are asking for the same thing WE are asking for: move the books to the adult section, require parental consent, or the like, help to identify, etc. A little parental assistance and adult responsibility. Hats off to these Orlando parents!
