West Bend Library Board Hosts Open Forum and Vote? TONIGHT

AGENDA
(Amended)

Library Board Meeting

Tuesday, June 2, 2009 6:00 P.M.
(Front Doors Open at 5:30 P.M.)

McLane Elementary School Gymnasium

833 Chestnut St., West Bend, WI. 53095

The following items may be discussed and possible action taken:

1. Call to Order
2. New Business: Discussion of requests to remove, relocate and/or label certain books in the Young Adult section.
3. Adjournment

The Library's Request for Reconsideration of Library Materials is a three-step process, ending with the complainant meeting with the Library Board. Since the request to consider the institution of policies is of a different nature, at the very least we would have expected communication from our local library stating how they would like to handle the petition request. The Library Board has remained strangely silent since we submitted our petition requests without as much as the courtesy phone call notifying us of this meeting. According to the meeting agenda, this meeting is allegedly about one of the requests submitted on the petition from the West Bend Citizens for Safe Libraries. The lack of communication is unfortunate and implies that they are not interested in speaking to us.

All are invited, we think. Then again, it is hard to say what this is really about. Up to you.
