Gross civil rights violations have been committed by the Village of Orland Park and the Orland Park Library Board to suppress the first amendment free speech rights of their critics. Today we are \$400 short of our goal for what we need to cover the attorneys' retainer that's due now. Can you chip in \$10 or \$20 towards covering this? If you have been in the background watching this battle since October, please help the people who have been standing up to the Village and this Board (who see themselves as monarchs who do not have to comply with the law). We need to raise another \$400 to cover the retainer for legal services related to gross civil rights violations committed by the Village of Orland Park and the Orland Park Library Board. We've moved into the phase where these matters are going to go to court and we need to pay the retainer for legal counsel going forward. Anything you can chip in, be it \$10 or \$20, would get us to the goal. If you have been watching this saga unfold since October and have realized it was destined to end up in a courtroom, we are now at that point and need your help.
