Alderman places rescind of library board vote on Monday agenda

Alderman Nick Dobberstein has requested the vote for the library board be rescinded and this has request has been added to the Monday evening City Council meeting agenda.

The agenda reads as follows:

9. A request by Alderman Dobberstein to rescind the Common Council's defeat of the Mayor's appointments to the Library Board.

10. Approval of Mayoral appointments to the Library Board.

According to the WBKV interview with Ald. Dobberstein this morning, he feels the use of the word "rescind" instead of "recall" gives him the authority to bring this vote back to the City Council once again.

Robert's Rules of Order states:

Reconsider: Can be made only by one on the prevailing side who has changed position or view.

It is alleged that there will be a **PUBLIC FORUM** Monday evening.

PLEASE FEEL FREE TO ATTEND!

Continue to contact your Aldermen and encourage them to stand firm on their decision. We don't want our city to look weak in the wake of protecting it's children!
