WVCY reveals FOIA from West Bend City Hall on Library Issue

We watched **WVCY "In Focus"** tonight. They had done a FOIA (Freedom of Information Act) open records request at the City Hall concerning the library issue yesterday and obtained nearly 400 pages of emails. What we heard them expose on the show last night was shocking, unprofessional, obstructive and, well, EMBARRASSING to the City of West Bend.

Emails exchanged between Mr. Tyree, the library board president Mrs. Engelbrecht, the city attorney, Mary Schanning, stated things such as:

What is the latest we have to announce the meeting date [with us].... not ready to deal with the "media circus" (Board Pres. Mrs. E)

Contacted WBCC TV... **"I am requesting the meeting NOT be taped.. "** (Board pres. Mrs. E)

Referred to us and other complainants as "THOSE people" who go to CHURCH on Wednesday nights, so the meeting had to be moved to allow them to attend. (Really? I think people who are ATHEISTS would agree that PORN IS NOT FOR KIDS.)

LOTS MORE.

Will post the link once it is up and you can listen for yourself. (Tech probs...will be posted later, check back.)

The representation of West Bend by these people is an outrage. This is OUR hometown and they are poor representatives of this wonderful city and the residents and business owners that call this their hometown, too. This information brought disgrace upon us all.

A sad day...
