Library Catalog Summary: None given

Library Catalog Subjects: Teenage girls- **Life skills**

**1 copy available at West Bend Community Memorial Library in Non-fiction**

- A large portion of the book deals with sex instruction for girls. A FCPS library catalog review says this book is the translation of a website into print and "...a good deal of the text is made up of outtakes from girls' online dialogues culled from the site.." The review states the book is "happily nonphallogentric" and discusses "topics and details that **more conservative guides might skip.**"

**Well, if it is more conservative than Hustler or Playboy, I would have to agree.**

- The book describes oral sex, anal sex, group sex, masturbation, orgasms, sex toys including dildos and vibrators, homosexuality, bisexuality, and other sex topics. The book has specific instructions for different sex acts along with cartoon images and "advice" from girls taken from the website describing their own sexual experiences and viewpoints.

**And this advice came from minors FOR minors? This book has sex acts? FOR MINORS?**

- The front cover has a girl in a flasher raincoat facing away from the reader flashing. The next page has her flashing the reader in a bra, underwear and boots. The back cover contains a plug for the book from Francesca Block, an author of many controversial books.....

- "MASTURBATION playing with yourself jerking off whacking off spanking the monkey jacking off jilling off buttering the biscuit So you get turned on. What do you do about it? ..do it standing, sitting, or lying down. ..use.. fingers (TOO EXPLICIT) a helpful way to get acquainted with your body... everyone is her own first and most efficient sex partner.. no risk, no pressure. ..ultimate safe sex. ..vibrator.. fingers in my XXXX.. rub your XXX with an ice cube.. feels great afterward.. put your hands or a blanket.. between your legs, squeeze.. rock.. apply pressure.. rub in a circle.. do it hard and fast. ..Many people get turned on by watching other people touch themselves. masturbating together is a fairly popular activity among couples who have sex on a regular basis.. Some people don't start masturbating until much later in life.. whatever feels good to you is the right thing to do."

- "ORGASM the big 'O' (EXPLICIT) getting off getting your rocks off the little death.. undeniably great.. pleasure center is the xxxx .. manipulating and stimulating.. sexual intercourse-inserting a (BODY PART).. moving it in and out-doesn't pay much attention to the clitoris."

- "My boyfriend wants to (EXPLICIT) me.."

- "Hand job... Just squeeze and (EXPLICIT)... usually when I give a hand job, it's after we've been

making out for a while and we're starting to take off each other's clothes off.. seems to drive him crazy.. when it comes to me giving him (EXPLICIT).. he usually just stimulates himself by (EXPLICIT).. when he is about to go, I.. take over.."

- "dry sex.. felt his (BODY PART) through his pants.."

- "going down on him giving (EXPLICIT) oral sex on a guy.."

**and it only gets worse. I figured if they can offer this book to our kids, I should be able to post it here, right? Wrong. It is much too pornographic for me to put any more excerpts here. If you aren't concerned about this material being offered to kids as young as 11, then this post is not for you.**

But you don't have to take MY word for it.
