My petition asks the library board of West Bend Community Memorial Library to enforce and adopt policies that protect the collection from attempts at censorship. It also asks the board to dismiss the Maziarkas' (or any) requests to reclassify or label materials on the basis that some in the community may find them objectionable.

Please join us at the West Bend library (board room at the back of the library on the first floor) from 6:00-8:00pm on Wednesday April 22. Sign the petition and/or pick up copies to collect signatures. Meet with others that share this viewpoint and discuss other steps we can take to protect our library against censorship.
