[V is for Vendetta - Ginny Maziarka's crusade](#)

[A parody of [this](#)]

West Bend has it's own illogical thinker... and she is given a small corner of the blogosphere to wring her hands over the beautiful city we live in.

Ginny Maziarka's blog is filled, everyday, with the same stale rant of her distaste for those who oppose her viewpoint. Since [WISSUP](#) does not suffice, she takes advantage of [Crosstalk America](#) and [Safelibraries](#) to take a hatchet to the very community that she claims to care about.

And I am sad to say that my own Internet gives one iota of space to someone who so vehemently would sacrifice the innocent minds of children to further her own agenda.

// It seems [Ginny finally understood](#) that she was sowing her "stale rant of distaste" with her original blog post attacking Peterson. She's now revised the post I was parodying above. Good thing I took a screenshot of the original, so everyone can see what she originally stated:
