[Ginny Maziarka: All Rights Reserved](#)

Within a day of being [lambasted for appropriating other people's online content](#) and failing to adequately indicate the original source/author, Ginny has slapped a copyright notice [on her own blog](#) (one at the very top, and one at the bottom of the left column).

Copyright (c) 2009 Ginny Maziarka. All rights reserved.

Good thing she's now learned the importance of protecting her own intellectual property rights; hopefully she's also learned a lesson about giving proper attribution when she cuts & pastes from others' copyright protected material (see another past offense [here](#)).

(And, BTW, you don't need to put those notices on your site to gain copyright protections; they are automatic once you put your thoughts into material form.)
