[Trying to Make Sense of the Evolution of the West Bend Library Fiasco](#)

Are you finding it hard to keep track of everything that's been going down with regard to the West Bend Library controversy? Me too. Here are some helpful links:

- Maria Hanrahan has a nice [timeline](#) of Ginny Maziarka's library complaints (but it ends on April 11).
- [We have a post](#) highlighting some of Ginny's confusing/contradictory commentary, especially her repeated claim that this *isn't about the gays...*
- Michael Zimmer, a professor at UWM, [has a detailed summary](#) of the events, along with related news coverage.
- And Kristina Smithers [took the time to review](#) a number of Ginny's interviews to highlight the number of times she's called for removing books, reclassification, etc.
- New entry: check out the library's pages on the controversy [here](#).
