[Kevin Scheunemann Shares More of his Delightful Insights](#)

Remember Kevin Scheunemann, the [Libertarian](#) (but [not really Libertarian](#)) [Kewaskum Trustee](#) and [International Dairy Queen Drive-thru Champion](#) who believes an ["intolerant gay lobby"](#) has been involved in the counter-movement to [Ginny Maziarka's true anti-gay intolerance?](#)

Well, heeeeeee's baaaaack!

Apparently [he sent Ginny this message](#), which she's pasted to her blog, trying to compare Kewaskum's quick response to his request for a *copy* of an open records request, to how West Bend dealt with an *actual* open records request.

Seems that photocopying an existing file happens faster than library board members trying to decide if their personal email accounts are subject to open records laws. Hmmm...maybe apples and oranges are the same thing inside a DQ.

Anyway, Scheunemann can take his self-righteous "Kewaskum will always be better than West Bend" attitude and [dip it in some chocolate](#) for all I care. His opinion is more irrelevant than a DQ in December.
