[Ginny Maziarka Verbally Rapes Us All](#)

[Like I said](#), it wouldn't take Ginny long to climb back up onto that "the library is run by porn-peddlers and the pinko-ALA" high-horse, attacking anyone with anything she can.

Continuing her [idiotic criticism](#) of Director Tyree's presence at an ACLU of Wisconsin event celebrating Banned Books Week, [Ginny has posted](#) a secondhand account of, and reaction to, one of Tyree's remarks.

[According to Maria Hanrahan](#), Tyree noted how Terry Vrana made an idiot statement after one of the city council meetings, [comparing the library to a porn shop](#). Apparently, Tyree quipped at tonight's event, referring to the fact that Vrana doesn't have a library card, that "he may be familiar with porn shops, but he's not familiar with the library."

An attempt at humor; perhaps it worked, perhaps it didn't. I wasn't in the room.

And neither was Ginny. Yet, that didn't keep her from asserting that such a statement not only slanders Vrana (which it doesn't), but that by saying such a thing, Tyree has "**verbally rape[d]**" the citizens of West Bend.

WTF?
