## Retirement

Dear readers:

I'm glad this blog has been a useful space to help spread truths, debunk lies, and express frustrations over the West Bend library controversy and related nonsense.

Unfortunately, real life has reared its sometimes ugly head, and I feel it necessary to close this blog down. Thankfully, I'm confident many of you will continue "wielding the sword of truth", as it were, even in this blog's absence.

I have [created WISSUP-Uncensored](#), which I will continue to update with the latest posts from Ginny Maziarka, providing an open comment policy for you to discuss her rhetoric free from moderation.

And one never knows, I might pop up again...

Cheers!
