Special thanks to
Bob Greenstreet, SARUP Dean, for support and interest in our studio
Steve Costello, BMO Harris Bradley Center, for hosting our final presentation

The students greatly benefited from the critics present at both stages of development, including:

Studio Client Greg Patin, City of Milwaukee Department of City Development
Studio Client Robert Harris, City of Milwaukee Department of City Development

Atonio Furgiuele Jr., SARUP
Tom Hofman, Hofman Architects
Ray Isaacs, SARUP
Brian Peterson, SARUP Alum
Larry Witzling, GRAEF

This studio was influenced by New York artist, Mary Miss.
