Hi, Michael,

Thanks so much for the very kind phone call. I hope everyone gets a break for a long while...!

And, what great news on the IFRT. The position is not a huge time commitment, but it is a good group of people and as you know, very important work. I will be working on the ballot and it will come out later in the summer, I think.

Please get some vacation in now, and enjoy your family and summer. Again, congrats on your work in this very tough time.

All the best,

e.

Dear Elizabeth,

Thank you for your support and kindness. It means so much to me that my colleagues here have finally been accorded some of the respect they deserve as this issue has played out in the local media. My co-workers and the library board are dedicated, loyal and very thoughtful people. It's nice to think that the target symbol has been removed from their backs, even if it will quite probably soon return.

You asked me a question in a previous email which I didn't have time to respond to:

I am checking to see if you would be interested in the chair elect position for the IFRT. It is a 3 year commitment, with one as chair elect, then chair, then past chair.

Thanks for considering!

e.

My answer is yes.

Again, thank you.

Michael
