In the Orland Park Library?**

About Orland Park Library | [Watch SNL Here](#)**

It's clear that Orland Park public library has only contempt for citizens- and is [following a radical agenda](#)- allowing unfiltered porn access at taxpayer expense. Klein Thorpe Jenkins has already billed close to \$160,000 and [is on pace for \\$500,000 in 2014 legal fees](#) to the library district.

Megan Fox and Kevin DuJan have [tried to stop access to porn and child porn in their public library](#). But the library aggressively refused policy change. Here's what's been uncovered:

- Specific, detailed allegation of child porn at Orland Park Library
- Sex crimes committed in the library; repeated staff cover up with no police call
- No library policy prohibition regarding accessing unfiltered porn online
- Lack of enforcement of internet user identification- therefore, convicted sex offenders have anonymous unfiltered access to porn, including child porn, violent porn, etc.
- Daily internet records are expunged when computers are turned off

- Library repeatedly violated the Freedom of Information Act and Open Meetings Act.
- Attorney General issued opinions are ignored.

Megan Fox and Kevin DuJan have stood up against all institutional force. Fox is a mother who witnessed porn being watched in the library and DuJan has helped her in the fight to stop it. **Here's a summary of their personal hardships:**

- *Endured filing of repeated [police complaints by library employees](#) and [attorney in hopes of silencing them](#).*
- *Suffered [attempted arrest tactic by the General Counsel and Spokeswoman plotting with police at a library board meeting in May](#).*
- *Prevented from [engaging in First Amendment free speech during public comment at library board meetings](#).*

At the June board meeting, Attorney Maryann Jubar with Citizens Advocacy Center [strongly backed the citizens](#).
